Consumer Contact: Work ‘N Leisure at 800-884-9629 from 9 a.m. to 5 p.m. ET Monday through Friday, email at john@wnlproducts.com or online at www.wnlproducts.com and click on “Practi-VALVE Recall” at the bottom of the page for more information.

Recall Details

Units: About 10,000

Description: This recall involves Practi-VALVES that are used to practice mouth-to-mouth resuscitation/CPR. The trainee connects the blue plastic air valve to a plastic mask, places it over the dummy’s mouth and blows through the valve to fill the dummy’s lungs with air. “WNL Products” is printed in white on the valves. This recall only involves valves in Lot 3197. “Lot 3197” is printed on the packaging. The valves measure 2.75 inches long by 1 inch wide and are disposable.

Incidents/Injuries: The firm has received three reports of the end-caps of the valves detaching from the Practi-Valve into consumers’ mouths or throats during CPR training.

About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC's Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired.
