Description	Image
<p>A convenient, hygienic solution for CPR training courses is WNL's CPR Training Kit. Now you can quickly and easily provide your students with the supplies they need for CPR Training. This one per student kit includes one Practi-SHIELD® manikin face shield and one pair of latex-free gloves conveniently packaged in an easy to carry resealable bag. The small size takes up less space when carrying supplies from class to class. Single use only.</p>
